

# EAPCCT 2020

40<sup>th</sup> Congress of the European  
Association of Poisons Centres  
and Clinical Toxicologists

European Association of  
Poisons Centres and Clinical Toxicologists

19-22  
MAY 2020  
TALLINN  
ESTONIA

## PROGRAMME AT A GLANCE

Time	TUESDAY 19 MAY 2020		WEDNESDAY 20 MAY 2020		Time	THURSDAY 21 MAY 2020		Time	FRIDAY 22 MAY 2020			
	PRE-CONGRESS		MAIN CONGRESS			MAIN CONGRESS			MAIN CONGRESS			
	Small Hall	Time	Black box Hall	Small Hall		Black box Hall	Small Hall		Black box Hall	Small Hall		
08:00-09:00	Registration (open all day)		Registration (open all day)		08:00-09:00	Registration (open all day)		08:30-09:00	Registration (open all day)			
09:00-09:30	In silico studies: Modeling drug-induced liver injury using machine learning		Welcome and Plenary Lecture: Basic mechanisms of lung toxicity and their application in the poisoned patient		09:10-10:30	Young Investigator Award		09:00-10:05	Louis Roche Lecture			
09:30-10:00	Use of in vitro studies for prediction of clinical NPS toxicity		Lung toxicity – from mechanistic studies to the bedside. <b>Sponsored by the GRK 2338 Research Training Group "Targets in Toxicology"</b> 					10:05-10:55	Oral Platform and Short Oral Presentations		Bedside Testing Symposium	
10:00-10:30	Animal models to understand the mechanisms of toxicity and optimise poisoning management											
10:30-11:00	Coffee		Coffee & Authors with posters		10:30-11:10	Coffee & Authors with posters		10:55-11:30	Coffee & Authors with posters			
11:00-11:30	Genomics, pharmacogenomics and genotyping, an overview for the clinical toxicologist		Alcohol as a Co-Ingredient in the Poisoned Patient		11:10-12:30	Drug Formulation and its importance in the poisoned patient	APAMT SYMPOSIUM	11:30-12:30	Best paper session			
11:30-12:00	Identifying exposure biomarkers with metabolomics: the example of dioxin								Update from the Guidelines Collaborative Group		Pro-Con Debate: Drug Screening for Recreational Drugs at the Bedside	
12:00-12:30	Pharmacokinetic-pharmacodynamic modelling in clinical toxicology											
12:30-13:45	Lunch		Lunch		12:30-13:30	Lunch		12:30-13:30	Lunch			
13:45-14:15	Cell cultures: in vitro human cell cultures to predict drug toxicity		Authors with Posters and Poster Round		13:30-14:00	Authors with Posters and Poster Round		13:30-14:00	Authors with Posters and Poster Round			
14:15-14:45	Investigation of mitochondrial mechanisms of toxicity		Alcohol as a Co-Ingredient in the Poisoned Patient continued		14:00-15:05	TOXICOLOGY 2.0 SYMPOSIUM	SHORT ORAL SESSION	14:00-15:00	Caustic Ingestion Symposium			
14:45-15:15	Organ chips and microfluidic systems: applications for clinical toxicology								Toxicology Data Collection Networks - Round Table		Bedside Testing Symposium continued	
15:15-15:45	Coffee		Coffee & Authors with posters		15:05-15:40	Coffee & Authors with posters		15:00-15:35	Coffee & Authors with posters			
15:45-16:15	Imaging in neuropharmacology: applications to clinical toxicology		Experience with the new European product notification requirements		15:40-16:40	TOXICOLOGY 2.0 SYMPOSIUM continued		15:35-16:10	Caustic Ingestion Symposium continued			
16:15-16:45	Neuro-electrophysiology - principles and applications in organophosphate poisoning				Toxicology Data Collection Networks - Round Table continued		16:40-17:00	Special Lecture to Mark the 40th EAPCCT		16:10-16:45	Oral Platform and Short Oral Presentations	
16:45-17:15	Understanding individual differences from big data analysis of patient records				Short Oral Presentations		17:15-18:30	General Assembly		16:45-17:45	EAPCCT Fellows Meeting	
19:30	Welcome Reception at Energy Discovery Centre							20:00	Conference Dinner at Seaplane Harbour, Estonian Maritime Museum
